

“For me coming to Morocco has been wonderful and exciting. I found people here very welcoming and hospitable. Working at Ecole Montessori Casablanca is the best decision I have made. Its cooperative management is there to help, support, and guide you at all times, as well as provides freedom to make mistakes and learn from a friendly positive environment. EMC has given me the opportunity to grow both personally and professionally. I hope to continue my special bond with EMC in the years to come. **”**
