

EMC SCHOOL OF ARTS 26/27

Arabic

1-3 & 3-6 YEARS

with **Miss KARIMA & Miss HANANE**

In our after-school Arabic class, children will discover the beauty of the Arabic language while learning to understand and speak it with confidence. Through fun and interactive activities, they will build their vocabulary and communication skills, making Arabic a natural and enjoyable part of their learning journey.

OBJECTIVES

Trimester 1 – Getting Started with Arabic - Greetings and introductions

Numbers, colors, family, and everyday vocabulary - Understanding and responding to simple questions - Learning basic words and phrases through games and interactive activities

Trimester 2 – Building Communication Skills - Expanding vocabulary through everyday topics

Practicing simple conversations and sentences - Understanding common expressions and instructions - Developing confidence in speaking and understanding Arabic

Trimester 3 – Speaking with Confidence - Practicing everyday conversations

Expressing needs, feelings, and simple ideas in Arabic - Reviewing and reinforcing vocabulary and language skills - Using Arabic naturally through fun activities, games, and conversations

EMC SCHOOL OF ARTS 26/27

Al Qur'aan al Kareem

1-3 & 3-6 YEARS

with **Miss KARIMA & Miss HANANE**

Our after-school Quran class focuses on helping children memorize the Quran in a supportive and encouraging environment. Through regular practice and repetition, children will work on memorizing their assigned surahs and building confidence in their recitation.

OBJECTIVES

Trimester 1

Memorize up to 3 short surahs, depending on each child's level and ability. - Regular revision of memorized surahs. - Encourage children to recite with confidence.

Trimester 2

Memorize up to 3 additional surahs, according to each child's progress. - Continue reviewing previously memorized surahs. - Practice regular recitation to strengthen memorization.

Trimester 3

Memorize up to 3 additional surahs, depending on each child's pace. - Review and reinforce all previously memorized surahs. - Encourage children to recite independently and confidently.

The goal is for children to progress at their own pace while building consistency and confidence in Quran memorization and recitation.

EMC SCHOOL OF ARTS 26/27

Cooking

3-6 YEARS

with **Miss BAIRA & Miss GHITA**

Little chefs will embark on a fun and exciting culinary adventure, discovering the joy of cooking and baking while creating delicious, healthy snacks. Through hands-on activities, they will develop practical skills, explore new flavours and ingredients, and gain confidence in the kitchen.

OBJECTIVES

Through this fun and hands-on activity, children will discover the basics of food preparation while developing their creativity, independence and confidence.

They will learn how to prepare a variety of simple recipes, including finger foods, fruit and vegetable salads, different types of bread, cakes, drinks and sandwiches. They will also develop basic kitchen skills such as measuring ingredients, following recipes, mixing and presenting food.

The activity will encourage children to explore new flavours and ingredients, learn about healthy eating, and develop their teamwork and communication skills while having fun..

EMC SCHOOL OF ARTS 26/27

Art

1-3 & 3-6 YEARS

with **Miss KARIMA & Miss HANANE**

Our after-school Art class gives children the opportunity to explore their creativity through fun and engaging art activities. From drawing and painting to crafts and creative projects, children will develop their imagination, fine motor skills, and confidence while expressing themselves through art.

OBJECTIVES

Trimester 1

Exploring Art - Drawing and coloring activities. - Exploring different art materials and techniques. - Simple painting and creative crafts. - Encouraging creativity and self-expression.

Trimester 2

Developing Creativity - Painting and exploring colors and different techniques. - Creative crafts using different materials. - Working on simple individual and group art projects. - Developing imagination and fine motor skills.

Trimester 3

Creative Projects - Exploring new art techniques and creative ideas. - Creating individual art projects. - Combining drawing, painting, and crafts in creative activities. - Reviewing and building on the skills learned throughout the year.

Overall goal: Children will have the opportunity to explore different forms of art while developing their creativity, imagination, and confidence through hands-on activities.

EMC SCHOOL OF ARTS 26/27

Dance

1-3 & 3-6 YEARS

with **Miss WAHIBA** (PRIMARY ONLY) & **Miss MARWA**

The club provides a fun and energetic environment where students can explore movement, dance, rhythm, and fitness through age-appropriate activities. Sessions focus on developing coordination, body awareness, musicality, confidence, and teamwork while encouraging students to express themselves through movement.

Activities are adapted to each age group, with younger children focusing on playful movement and rhythm, while older students develop more advanced dance routines, endurance, creativity, and performance skills. The overall aim is to make physical activity enjoyable, inclusive, and engaging for every student.

OBJECTIVES

Trimester 1 – Discover & Explore

Introduction to movement, rhythm, and dance through fun and playful activities. Students will develop basic coordination, balance, body awareness, and the ability to follow simple movements and rhythms.

Trimester 2 – Develop & Create

Students will develop their coordination and rhythm through more varied movements, music, and simple choreographies. Activities will encourage creativity, self-expression, participation, and interaction with others.

Trimester 3 – Perform & Celebrate

Students will practice short group routines, develop confidence, and learn to perform movements together. The focus will be on enjoyment, participation, and celebrating their progress.
