EMC IN 2023-2024

EMC is an official British school, recognized by the Moroccan Government since July 2023, as well as a Pearson Edexcel Accredited examination center.

NEW WEBSITE

EMC has launched its new website, reflecting a transformation in its educational approach.

MIMOSA-MOON CALLS FOR SOLIDARITY

The children of the Mimosa Moon community demonstrated the power of empathy and initiative in the face of the earthquake in Morocco.

EMC IN 2023-2024

EMC is an official British school, recognized by the Moroccan Government since July 2023, as well as a Pearson Edexcel Accredited examination center.

This indicates its commitment to providing a high-quality British education and ensuring that students have access to internationally recognized qualifications (English Baccalaureate) through Pearson Edexcel examinations.

EMC is a Progressive School is divided into three campuses, each designed to offer a distinct and tailored educational experience. The CIL campus provides authentic Montessori education for children aged 1 to 6, emphasizing independence and a passion for learning. At the Californie campus, in addition to the Montessori Toddler and Primary program, students from ages 6 to 11 benefit from The Blended Program, which combines the British curriculum with Montessori teaching and materials, ensuring a solid foundation in core subjects. The Bouskoura campus, known as «the House of Youth,» caters to students aged 11 to 19 with a progressive UK program that caters to individual needs and prepares students for IGCSE and A-level examinations.

EMC Progressive School strives to offer a flexible and comprehensive educational journey for its students across various age groups.

NEW WEBSITE

EMC has launched its new website, reflecting a transformation in its educational approach.

The modern design features a British flag color palette and offers a comprehensive view of the school's vision, mission, key milestones, and achievements. Detailed age-specific programs, insights into school life, including events, menus, and calendars, as well as essential information about fees and policies, are readily accessible on the site. Visit our website to explore the exciting changes we've made to enhance the EMC experience.

24 COMMUNITY EVENT
Celebrating Moroccan Culture

EMC has prepared an event calendar for its community, in order for you to be prepared in advance for the different occasions. EMC faculty has worked intensively to offer a rich Parent Ed Program. We strongly

advise our parent community to attend these events specifically designed to help deepen the understanding of our Montessori Progressive approach to education. We look forward to seeing you all!

MIMOSA MOON

This year marks an important step in EMC's life!

Elementary was split into Lower and Upper Elementary. Mimosa Earth and Mimosa Sun look up to the beautiful Mimosa Moon, the new Environment catering for the needs of pupils aged 9 to 11 years old.

THE IMPORTANCE OF KINDNESS

The Designated Safeguarding Lead (DSL), Ms. Leila, visited the Mimosa Moon environment where most of pupils recognized her and were able to define her role. They demonstrated a clear understanding of both appropriate behavior and the negative consequences of bullying. Leila and the children engaged in a conversation about the significance of words and how they can impact people, emphasizing the importance of kindness and respect. The DSL reinforced the idea that it's crucial to honor the unique characteristics

of every individual, highlighting that hurtful words can be just as harmful as physical actions. The message was clear: bullying, whether verbal or physical, is absolutely unacceptable at EMC, where the well-being and emotional safety of each child are of utmost importance. This interaction showcased the commitment to fostering a safe and inclusive learning environment at EMC.

EVACUATION DRILL

The safety and well-being of our EMC community remain our highest priority. Each year, EMC schedules a series of evacuation drills to ensure that our community members are well-prepared in case of an emergency. Originally, our first evacuation drill was planned for the end of September, however, in the interest of everyone's safety, we have decided to forward the date to next Tuesday, September 12th.

A safe space was offered, to talk and listen to the pupils in each environment. This gave them the opportunity to share their feelings and voice their concerns as individuals and as a community. They also expressed their compassion for the victims of the earthquake.

EMC mourns the victims and joins the Moroccan people in their sadness for this terrible loss.

MIMOSA-MOON CALLS FOR SOLIDARITY

The children of the Mimosa Moon community demonstrated the power of empathy and initiative in the face of the earthquake in Morocco. They wasted no time in taking action. They organized bake sales, offering juice, tea, and coffee, all to raise funds for the earthquake victims. They managed to gather more than 7000 dirhams through their efforts. With the funds, they purchased essential supplies like diapers, sanitary pads, tents, duvets, and food for the victims of the earthquake. They also collected donations of blankets and clothing from their community. These actions showcase how the Montessori philosophy empowers children to be compassionate, self-directed, and socially responsible individuals, actively contributing to their communities and the world at large.

In fact, their action inspired other Montessori Children in Switzerland, seeking to support their project
