

“*I continue to marvel at my good fortune of being a part of the EMC community. I have never before been a part of a community that places such a high value on the meaning of family and that is so dedicated to its mission to provide the highest quality Montessori education while also helping each of us grow into our best selves as guides and as colleagues. That we are supported and trusted is never in question, and this inspires us to do our very best work each day. EMC is an amazing Montessori school, one of the best in the world, and luckily for me, it is located in a country with a rich culture, full of genuine and warmhearted people. Everything I need to grow personally and professionally I have found here, and I couldn't be more grateful for this opportunity.***”**
